Show the address in a used window envelope and send the
tear-off form and donation to Myton Hospice or deliver it to
one of the collection points.

Kenilworth Rotary Club Tree of Light

Thank you for sharing an interest in the Tree of Light sponsored by the Rotary Club of Kenilworth and local traders whose help is very much appreciated. You are invited to make a donation as a personal memorial to a loved one. The names of those remembered will be displayed by the Tree of Light in Talisman Square.

Warwick Myton Hospice is currently the only hospice providing in-patient care for the people of Warwickshire and Coventry.

Each year up to 500 patients stay in the unit and up to 1000 attend the day centres in Warwick and Rugby.

Many of the people that come to Myton Hospice are facing one of the most traumatic times in their life – and it's not just the patients; our dedicated team of nurses and caring professionals also look after families and loved ones – making sure that everyone experiences the special kind of care that makes Myton unique.

We aim to provide Specialist Palliative Care of the highest quality for adult patients with advanced progressive life limiting illness, taking into account their medical, physical, cultural, psychological, spiritual and social needs in a non-judgmental way with love, respect and humour in a safe homely environment.

The Rotary Club of Kenilworth is almost 50 years old and prides itself wherever possible in providing financial and practical help to both the local community and further afield in developing

countries. Rotarians both male and female come from all walks of life and the Club is no exception. Its members, both retired and working, share a meal every Monday and enjoy social events (sometimes with other clubs), working together to raise funds for the many charitable causes that make contact with us every year.

As with most other organisations we are always looking for new members to share fellowship at our weekly meetings and to help with established fund raising projects. Occasional non attendance because of family and/or business commitments will not affect your enjoyment of a world wide organisation committed to making a contribution towards world peace and to relieve suffering throughout the world.

To find out who we are and what we do, and how we work with Rotary International, visit our web-site at
