Dear Mrs Kolmas,

John Taylor Funeral Service has forwarded to me cheques to the value of £205.00 being donations received in memory of your late husband, Ludwik Kolmas..

On behalf of Kenilworth Local Committee for Cancer Research UK, I would like to offer my sincere condolences to you. I hope that you can take some comfort from the acknowledgement that the donation will go towards vital research into the causes, treatment and prevention of cancer.

This donation is most gratefully received by the Kenilworth Committee and will be forwarded to Cancer Research Head Office.

Thank you for thinking of Cancer Research UK at this difficult time.

Yours sincerely,
